ORDER

This matter is before the court on the government's motion for alternative victim notification procedures pursuant to 18 U.S.C. § 3771(d)(2). The court finds that the number of crime victims, as defined by 18 U.S.C. § 3771(e), makes it impracticable to accord all of the crime victims the rights described in 18 U.S.C. § 3771(a). The court further finds that the government's proposal is a reasonable procedure to give effect to 18 U.S.C. § 3771. The motion is ALLOWED. The court finds that notice previously published in conjunction with United States v. Jaynes, 5:06CR54 (W.D.N.C.), which notice expressly referred to defendant and was published in the *Wall Street Journal* and on the U.S. Attorney's Office website, sufficiently satisfies the alternative victim notification obligations in this case.

This 22 July 2008.

W. Earl Britt
Senior U.S. District Judge
